Our review is provided pursuant to the National Environmental Policy Act 42 U.S.C. 4231, Council on Environmental Quality regulations 40 CFR 1500-1508, and Section 309 of the Clean Air Act. The FEIS was assigned Council on Environmental Quality number 20130055.

Thank you for addressing the various concerns posed by EPA and we appreciate the opportunity to provide comments regarding this plan and its projects. We also look forward to participating in the environmental review process when amendments to the plan arise.
